EXECUTIVE SUMMARY

Declining sales of alcohol products, a growing generational acceptance of cannabis, and the 2018 farm bill create a very clear path for Hemp Infused THC beverages to reach USD4.1 billion by 2028.

We are pioneering a NEW beverage category along side an existing multi-billion-dollar industry.

- Hemp Infused THC beverages have created a new beverage category by offering a healthier, non-alcoholic alternative. This isn't just about creating a new product category; it's about changing the way we socialize and consume.
- Hemp Infused THC beverages have managed to capture consumers by appealing to consumers who want to dip their toes into cannabis without having to change their current path to purchase.
- With growing consumer demand, accessibility, and the current version of the farm bill, there is a very clear path for Hemp Infused THC beverages to reach USD4.1 billion by 2028.

- *Born from a desire to reimagine what it means to unwind and connect, LURE was created as a purpose-built alternative to alcohol. Unlike traditional THC drinks designed to mimic cannabis consumption, LURE is crafted for the modern social experience—light, functional, and refreshingly different.*

THE OPPORTUNITY

Industry publications and research firms are united in their opinion that:

“Hemp Infused THC beverages are the next big thing”.

Market is projected to SEPTUPLE in value over the next 10 years.

- Most importantly, projecting growth that is unrivaled by other cannabis categories, forecasts state that the cannabis beverage industry will SEPTUPLE in value from \$3.9 billion in 2023 to \$27.8 billion in 2032 (Exert Market Research).

THE CONSUMER

One-third of Americans are drinking less alcohol.

There's a trend to reduce alcohol intake in favor of cannabis.

Adults of all ages and backgrounds are consuming and recognizing the benefits of using Hemp Infused THC beverages in lieu of alcohol.

- **A THIRD OF AMERICANS ARE TRYING TO DRINK LESS ALCOHOL-** According to a 2023 survey by NCSolutions, 34% of Americans reported that they were actively trying to reduce their alcohol intake. Furthermore, around 20% of people who are cutting back on alcohol consumption are using cannabis as a substitute.
- **HEMP INFUSED THC BEVERAGES ARE PREFERABLE TO ALCOHOL-** They still deliver an uplifting social experience, without nasty hangovers and other unhealthy side effects.
- **CONSUMERS USING CANNABIS INSTEAD OF ALCOHOL POINTS TO A BRIGHT FUTURE-** The significant appeal of Hemp Infused THC beverages reinforces the current trend of consumers looking for alcohol alternatives. reflecting an ongoing shift in consumption habits where cannabis is seen as an alternative to alcohol
- **OUR CORE PERSONA** can be commonly defined as the *“SOCCER MOM’s”* demographic. **OUR SECONDARY PERSONA** can be defined as *“AGES 21+ MILLENNIALS”* who are trending to reduce alcohol intake in favor of cannabis. These are the same consumers purchasing non-alcoholic beverages in retail outlets.

- **A SMARTER WAY TO SIP & SOCIALIZE**
LURE is more than a beverage—it's a movement.
- **PURPOSE-BUILT ALTERNATIVE TO ALCOHOL**
LURE was created as a purpose-built alternative to alcohol. Unlike traditional THC drinks designed to mimic cannabis consumption, LURE is crafted for the modern social experience—light, functional, and refreshingly different.
- **THE LURE DIFFERENCE**
 - Crafted as an alcohol alternative, not just a cannabis drink
 - Full-spectrum hemp infusion for functional effects with minimal THC (just 4mg)
 - Fast-acting, low-dose, and repeatable—perfect for paced sipping like a cocktail
 - Formulated for sociability, relaxation, and wellness
 - Over 20mg of total hemp extract per serving—more plant power than typical THC drinks
 - Exceptional flavors and eye-catching presentation

LURE DRINKS UNIQUE SELLING PROPOSITION

Crafted to Captivate
the Senses with Stunning
Presentation, Exceptional
Flavor, and a Truly Remarkable
Experience.

- **STUNNING PRESENTATION-** The intriguing nature of the branding's eye-catching appeal makes these products fly off the shelf.
- **EXCEPTIONAL FLAVORS-** In a market saturated with flavored seltzer waters, we offer refreshing, non-alcoholic, and crafted beverages using genuine alcohol flavors, natural flavors, and natural sweeteners.
- **REMARKABLE EXPERIENCE-** Our beverages are designed to enhance social experiences by promoting relaxation, sociability, and overall well-being without the intoxicating effects of alcohol.
- **NATURAL INFUSION-** LURE beverages are infused with naturally occurring FULL SPECTRUM HEMP EXTRACT. They offer a controlled, consistent, and discreet way to enjoy the benefits of cannabis.

It's not the most THC that works best.
It's the right combination of natural
cannabinoids.

20mg of full spectrum hemp extract
per serving—more plant power than
typical THC drinks

WHY CHOOSE LURE DRINKS 4MG THC BEVERAGE OVER HIGHER DOSE FORMS OF THC CONSUMPTION?

- It's not about more THC. It's about better cannabinoid balance. Our full spectrum formula uses naturally occurring compounds that amplify each other's benefits. You get a smoother, more effective experience—without the crash, fog, or overstimulation.
- Less THC, better results. Thanks to natural balance, our 4mg THC, 4mg CBD, 4mg CBG feels just right—not overwhelming. LURE Drinks provide a clean, light euphoric experience that supports both mind and body.
- LURE Drinks lightly infused THC beverages offer an alternative to alcohol, not necessarily an alternate to cannabis consumption. Our low dose offers a controlled, consistent, and discreet way to enjoy the benefits of cannabis at a pace similar to alcohol. It's easy to incorporate into your routine, whether you're relaxing at home, spending the day outside, or enjoying a night out.

THE LURE DIFFERENCE

- Crafted as an alcohol alternative, not just a cannabis drink
- Full-spectrum hemp infusion for functional effects with minimal THC (just 4mg)
- Fast-acting, low-dose, and repeatable—perfect for paced sipping like a cocktail
- Formulated for sociability, relaxation, and wellness
- Exceptional flavors and eye-catching presentation

UNIQUE PRODUCT FEATURE

LURE Hemp Infused THC
Drinks "Taste Better and Feel
Better" because they are...

- **A SECRET MULTI-STEP PROCESS-** Advanced technologies and formulation expertise are utilized to maximize active ingredient potency and eliminate the unfavorable taste and smell of cannabis that characterize competing brands.
- **5X MORE FULL SPECTRUM HEMP EXTRACT-** LURE beverages contain up to 10 major and minor cannabinoids vs only 1-2 cannabinoids in most other brands.
- **FAST-ACTING, CLEAN-LIGHT-EUPHORIC EFFECT-** An enjoyable and relaxing effect starts in as fast as 15 minutes that lasts 1-2 hours.
- **ONLY NATURALLY OCCURRING FULL SPECTRUM CANNABIS COMPOUNDS-** Many of the current Hemp Infused THC beverages are made with semi-synthetic cannabinoids, chemically converted from CBD. Semi-synthetic cannabinoids are not used in our beverages.
